Town Government Financial Stability Questionnaire

The Town of Fountain Hills projects a revenue shortfall of about $19 million over the next 20 years, or $950,000 per year, as the Town approaches build-out. What approach would YOU prefer the Town to take to pay for this shortfall?

❑ A. Increase the Town sales taxes by about 0.2¢ per dollar, from 2.6% to 2.8%.

❑ B. Levy a new *primary* property tax of about 28.5¢ per $100 valuation, or about $66 per year for the median home worth about $248,000.

❑ C. Don't increase revenues; instead, reduce these Town services:
